

Legal Disclaimer

Algosun Global Limited is a provider of equity research, consulting and market analysis services on a subscription basis. Algosun Global Limited is not registered broker-dealer or an investment adviser with Cyprus Securities and Exchange Commission (hereinafter “**CySec**”) or with any state securities regulatory authority. Algosun Global Limited is free of any conflict of interest from investment banking or trading pressure on research content and stock ratings.

If retail or private investors received any Algosun Global Limited research reports, presentations, materials, etc. through media, marketplace, website or financial research platforms they should not rely on research reports, presentations, materials, etc. herein to make an investment decision. The result of such act will not hold Algosun Global Limited responsible for any loss.

Algosun Global Limited research reports and presentations (hereinafter “**reports**”) are prepared for information purposes only. Algosun Global Limited reports and presentations may be made available through its website, third-party vendors, marketplaces, financial research platforms or alternate electronic means as a convenience. The level and types of services provided by Algosun Global Limited to a client may vary depending upon various factors such as a client’s individual preferences as to the frequency and manner of receiving communications, risk profile, investment focus and perspective, the size and scope of the overall business relationships with Algosun Global Limited. If you receive any research report or presentation prepared by Algosun Global Limited, you agree that you shall not copy, revise, amend, create derivative work, transfer to any third party, or in any way commercially exploit any Algosun Global Limited research report or presentations and that you shall not extract data from any research, presentation or estimates provided to you by Algosun Global Limited without the prior written consent of Algosun Global Limited. Directors and employees of Algosun Global Limited, hereby certify that all of the views expressed in reports and presentations accurately reflect our personal views about the subject company or companies and its or their securities. Directors and employees involved in the production of research reports and presentations must not promise favorable research coverage to those entities or stocks on which it prepares stock ratings, price targets, algorithmic signals and financial models or to any other person or entity. Reports, presentations are for distribution only as may be permitted by law and are published solely for information purposes; it is not an advertisement nor is it a solicitation or an offer to buy or sell any securities, financial instruments, services discussed herein or to participate in any particular trading strategy, IPO, DPO and Direct Listing. Research reports, presentations are based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. Other than certain industry reports published on periodical basis, the large majority of reports and presentations are published on irregular intervals as appropriate in the analyst’s judgement. Investments involve risks, and investors should exercise prudence and their own judgement in making their investment decisions. Clients should consider whether any stock ratings, price targets, algorithmic signals and financial models in research reports or presentations is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither Algosun Global Limited nor any of its directors, employees or agents accepts any liability for any loss (including investment loss) or damage arising out of the use of all or any of the information in research reports and presentations. Any prices stated in reports and presentations are for information purposes only and do not represent valuations for individual securities or other financial instruments. There is no representation that any transaction can or could have been affected at those prices, and any prices do not necessarily reflect company’s internal books or records or theoretical model-based valuations and may be based on certain assumptions. Different assumptions by Algosun Global Limited or any other source may yield substantially different results. The analysis contained in reports and presentations is based on numerous assumptions. Different assumptions could result to in materially different results.

Algosun Global Limited specifically prohibits the redistribution of reports, presentations in whole or in part without permission of Algosun Global Limited and Algosun Global Limited accepts no liability whatsoever for the actions of third parties in this respect. The disclosures contained in research reports and presentations produced by Algosun Global Limited shall be governed by and construed in accordance with English Law.

Social Media Disclaimer

Algosun Global Limited is a provider of equity research, consulting and markets analysis services on a subscription basis. Algosun Global Limited is excited to be a part of global social media networks.

Information posted on Algosun Global Limited social media sites (“**Sites**”) should not be construed as a recommendation by Algosun Global Limited, its directors and employees, as an offer to buy or sell any securities, financial instruments, services or to participate in any particular trading strategy, IPO, DPL or as personalized investment advice. Social media Sites such as **Facebook**, **Twitter** and **LinkedIn** are third party sites unaffiliated with Algosun Global Limited. Algosun Global Limited may post articles, news, items or talk about services and products we think are interesting. The information we post to the Sites represents current opinions, views and assumptions of Algosun Global Limited, which may change at any time without notice to you. We assume no obligation to update any forward-looking information contained on the Sites. Algosun Global Limited may follow another user, retweet or link to third-party content to provide additional information, but these actions are not intended to be and should not be construed as an endorsement. The opinions expressed by our LinkedIn followers are their own and do not necessarily represent the views of Algosun Global Limited.

Content and materials provided by Algosun Global Limited to the Sites are provided “**as is**”. The information and content is provided for informational purposes only and does not constitute an offer to sell or purchase any securities. Algosun Global Limited social media Sites are provided to you for marketing purposes and to connect with us in sharing information. The Sites may contain links to articles or other information that are contained on third-party websites. Algosun Global Limited does not endorse or accept responsibility for the content, use, or reliability of the websites. Algosun Global Limited assumes no liability for any inaccuracies, errors or omissions in or from any data or other information provided on third-party pages. By submitting any information or material to us through the Sites, you grant us an unrestricted, irrevocable license to use, reproduce, display, perform, modify, transmit and distribute those materials or information.

Any opinions or statements posted by third parties are their own and may not be representative of the experience of others or indicative of future performance or success. Algosun Global Limited reserves the right to remove any comments, photos, videos, discussion posts, wall posts and any other third-party posted content that we deem inappropriate or that contains confidential information, profanity or illegal material. Algosun Global Limited also reserves the right to ban from or block access to its Sites any commenters that violate these parameters. Moreover, we also reserve the right to block any follower who posts retweet content that is deemed inappropriate or offensive or constitutes testimonial, advice, recommendation, or advertisement for securities, products, or services or is promotional in nature.

Algosun Global Limited will follow the applicable privacy policies of the third party hosts of Algosun Global Limited social media Sites. You should read the privacy and security practices of such third party websites. You may use, download or copy of the content displayed on the social media Sites solely for your own personal use and comply with all applicable terms, conditions and notices applicable with the provision of such services. You fully agree that you will not transmit, reproduce, license or create in whole or extract any part of the materials posted on Algosun Global Limited social media Sites without the express permission of Algosun Global Limited.

Algosun Global Limited will not be able to respond to your specific questions and requests through social media. To begin further business cooperation please contact Algosun Global Limited at info@algosunglobal.com or directly **+357 25 281873** (European Union).

Algosun Global Limited does not endorse any content or advertisements posted by social media sites or of third party sites or applications that may appear on those social media sites.

All Algosun Global Limited social media Sites are monitored. We have no control over how LinkedIn or other third parties will use the information shared on the Sites. We strongly recommend you read and understand the privacy policies and terms of service for each social media site, you participate in, and understand how your information can be displayed and used throughout the site as well as other third party sites that may be linked to these.
