## 3. Users

Nothing contained on this Website constitutes investment advice and the information contained on this Website is to be used solely for information purposes, and should not be regarded as an offer, or a solicitation of an offer to buy or sell a security, financial instrument, services discussed herein or to participate in particular IPO or DPL. Past performance is not a guide to future performance or returns. Information contained on this Website does not constitute, and should not be considered tax or legal advice and users should consult with their independent legal or tax advisors. In exchange for using this Website, the user agrees to hold Algosun Global Limited harmless against all claims for damages or otherwise arising from the decisions the user makes based on such information. Research reports and presentations are based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. Neither Algosun Global Limited nor any of its directors, employees or agents accepts any liability for any loss (including investment loss) or damage arising out of the use of all or any of the information in research reports, presentations and on the Website.

## 4. Research Standards

Algosun Global Limited performs fundamental and quantitative research applying in-house algorithmic models to provide institutional clients with our unique value-added insights, research reports, industry notes and pre-IPO presentations on the best effort basis. We are free of any conflict of interest from investment banking or trading pressure on research content and stock ratings.

The Director of Research is the firm’s designated Compliance Officer. Equity analysts and quant researchers directly report to the Director of Research and do not communicate with clients. Prior to official publication and distribution, the final research report draft should be double checked and reviewed by an Editor. All research requires the Director’s of Research approval prior to publication. Analysts and researchers do not participate in Sales Pitches and Presentations. No part of analyst’s and researcher’s remuneration being related directly or indirectly to the views expressed in the research report. Analysts and researchers are not permitted to accept any remuneration or other benefit from any party in respect of the publication of research. Analysts and researchers may not service as officers, directors, employees or advisors to a company under coverage. Algosun Global Limited maintains a database of clients to whom it emails its research reports.

Algosun Global Limited uses a relative rating system using terms such as **Overweight (OW)**, **Equal-weight (EW)**, **Underweight (UW)** and **Suspended (S)**. Algosun Global Limited does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Underweight are not the equivalent of Buy, Hold and Sell. Investors should carefully read the definitions of all stock ratings used in Algosun Global Limited Research. In addition, since Algosun Global Limited Research contains more complete information concerning the analyst's views, investors should carefully read Algosun Global Limited Research, in its entirety, and not infer the contents from the rating alone. In any case ratings should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances and other considerations. Algosun Global Limited does not provide individually tailored investment advice.

**Overweight (OW).** Expected to appreciate, produce a total return of at least 10% and outperform the coverage group's historical fundamentals and/or valuations on a risk-adjusted basis over the next 6 to 12 months.

**Equal-weight (EW).** Expected to perform generally in line with the coverage group's historical fundamentals and/or valuations on a risk-adjusted basis over the next 6 to 12 months.

**Underweight (UW).** Expected to underperform, produce a total return below the average of the coverage group's historical fundamentals and/or valuations on a risk-adjusted basis over the next 6 to 12 months.

**Suspended (S).** The rating and price target have been suspended. This action may be due to market events that made coverage impracticable.

If research coverage is terminated and Algosun Global Limited has published forecasts and reports, the firm publishes a final note stating that coverage has been terminated.

Algosun Global Limited is not involved in sponsored research, namely equity research sponsored by companies under coverage.
